# LIFE IN THE SIXTH FORM

Beaufort Sixth Form is a genuinely comprehensive sixth form in a truly comprehensive school. We offer academic and vocational courses at Level Two and Level Three. You can prepare for entry to University, you can undertake work based training or you can undertake a wide range of courses in between. Students from almost all the schools in Gloucester and several beyond have transferred to the Sixth Form at age 16 at various times. Students from Beaufort Sixth Form have continued their education at universities all over the country, or have gone on to find success in work locally.

Besides studying for your course, there are lots of chances to get involved in other aspects of sixth form life. Whether it is in sport, music and drama, or in taking responsibility for helping younger students in school, you can widen your skills and talents. You can gain extra qualifications in subjects such as ICT in addition to your main course.

We offer a wide range of extra-curricular activities in lunchtimes and outside normal school hours. There are opportunities for participation in a variety of sporting and musical activities as well as clubs and societies. The Beaufort Explorer Scout Unit is popular in the Sixth Form, providing opportunities for pupils to take part in outdoor pursuits, camping expeditions abroad and service to the community. This usually involves participation in the Duke of Edinburgh Award Scheme. Foreign visits in the past have included the Dominican Republic, Ecuador and the United States.

There are a wide range of educational visits and residential trips such as Geography visits to Nepal, Morocco and Iceland and Business Studies visits to New York.
